The Friendly Plant

LANDSCAPING | 2D CAD & 3D GARDEN DESIGN | POOLS | WATER FEATURES

Beyond landscaping...

We are an internationally-recognised, award-winning, full-service landscaping company offering everything from the initial design in 2D CAD or 3D through to the supply of plants, garden installation and construction of everything from patios to swimming pools.

Based in Muldersdrift, South Africa, we offer design and installation throughout Africa and currently serve clients in Angola, Botswana, Bulgaria, DRC, Germany, Ghana, Malawi, Mozambique, Nigeria, South Africa, Tanzania, Uganda, Zambia & Zimbabwe.

Our clients include home owners, residential, commercial & industrial property developers, corporates, event venues, schools, hospitals, municipalities and Big Brother.

Our work is regularly featured in numerous magazines, newspapers and television shows as well as a number of hardcover coffee-table books published in the Far East and Europe.
